

Obagi Skin Care Nu Derm System

- I understand that the Obagi products are used for treating active acne, acne-prone skin, pigmentation, and skin imperfections.
- I understand that while results can be long-lasting, they are not permanent.
- I understand that more than one session may be needed to achieve the desired result.
- I confirm I have been given pre and post care advice literature which I fully understand.
- I confirm I have had opportunity to ask questions about the procedure and have had them answered to my satisfaction.
- I understand that results are reliant on my compliance to pre and post care advice that has been given to me by my clinician.
- I confirm that my clinician has not given me a guaranteed percentage of improvement, and I understand that results vary from person to person.
- I accept that the treatment protocol has been explained to me fully and I understand I must follow the protocol in entirety.
- A copy of the protocol is included in my kit.
- I understand that my follow-up sessions are essential to allow monitoring of my condition, and I will attend the follow-up as arranged.
- I am aware that it is my responsibility to schedule my follow-up appointments with my clinician.
- I am aware that there will be a period of approximately 1-6 weeks where I will experience redness, tightness, peeling and irritation of the skin undergoing treatment. In some cases it may last longer and in some cases it may be very mild.
- I understand I must not use moisturiser or any other product unless specifically advised by my treating doctor nurse or therapist.
- I have been made aware of the need for using sun protection every day.
- I have been made aware that results are not guaranteed and even if I achieve a satisfactory result, the original condition may recur.
- I understand that I have paid a package price to include consultation, product and two follow-ups.
- I must obtain any additional product from PHI Clinic. If I do not, the clinic cannot guarantee the quality of the product and I will be charged for follow-up sessions.
- I will inform the clinic if there are any changes to my medical condition such as starting new medication.
- I understand that I must undertake any cosmetic or beauty procedures such as waxing, laser treatment without the permission of my treating doctor.

- **(For female clients only)** I confirm I am not currently pregnant or actively trying to conceive. I understand that if I wish to become pregnant or actually become pregnant I must stop all the products and notify the clinic.
